To: CA. SENATOR
SCOTT WEINER,

I hate to be writing
about systemic corruption - from the
Court Rooms to the prison system.

1st. I've been deliberately, maliciously
& unlawfully prosecuted & convicted
on all false, circus & kangaroo court
proceedings.

2nd, I've been & is being systematically
targetted by San Quentin (S.Q.) staff
to be murdered.

My situation, in general concerns
systemic, institutional, structural
injustice, corruption, racism
& bigotry.

Last SEN. Weiner, you can make a
big difference - I am enclosing (over)

a Number of my Complaints I've been
sending to different entities & individuals
with oversight abilities.

(Including, A few of your Colleagues
in the CA Legislature - ASS. Woman
Nancy Skinner; ASS. Woman Shelley-
Webber; & ASS. Man Mark Laxere.

(Please refuse my Complaints)

SEN. Weiner, Intervention has long
been warranted!

RESPECTFULLY
Cedric Johnson

Since you submitted a Bill to make July Trials look more reflective of the people going to July Trials. I have a number of recommendations / amendments.

1) Place (back) the parameters / boundaries (back into law) the area where a defendant July pools will be selected from.

The (Racist Prejudicial Law) to take away, or erase the boundaries / parameters where a July pool was "mandated to be selected from" - was placed into a Bill to Consolidate Municipal & Superior Courts. (Why would they focus on the Parameter where a July, or Perspective Jurors had to come from (Prejudicial & Racist).

2) Do away with the sham & Racist so-called "Nullification Law" it was placed into law about a decade ago - it's clearly (OVER)

Racist.

3) Stop the Racist & Corrupt "Secret Jury Selection" (I've been a victim to that nonsense).

The law came into being - because ~~one~~ Judge wife (As a perspective juror), claimed she felt threatened because it was a gang member case. She should of been "removed for cause" that the right avenue).

Being removed for "cause" should apply to any Judge & spouse... To any judges & spouse... To any Probation officers & spouse... To any criminologist & spouse.

4) Stop the Sham, Racist & Prejudicial So-called "Mutual Discovery" - where a so-called defense attorney & their investigator - investigate & gather information, & simply turn it over to the district attorney (Total nonsense!).

5) Stop the Sham & Corrupt "Hear Say" Law (I've been a victim of that garbage & Corruption twice).

The "Hear Say Rule" supposed to only be use when the district attorney

(303)

(P.S. pg. 3)

Through "due diligence" tried to bring so-called witnesses to court. The rule allows a district attorney to "pretend" to have witnesses without producing them to keep a sham case moving.

Also, "The Hear Say rule" allows a district attorney to knowingly produce lying witnesses - without adversary testing in Municipal or lower court to claim credibility is for a jury to decide.

The "Hear Say rule" allows the court to totally disregard reliability.

6) Pass (Back into Law) that defense attorneys can get - 2 closing arguments (because a defendant's freedom is in jeopardy).

7) Pass a "state law" that a defendant's right to represent himself is absolute.

Also that Fund "must be provided" for Ex parte - In the same way it would be for attorneys (the defendant "must" have complete control of the funds).

A state law, when a defendant states a so-called attorney is not representing (over)

their interests, or, claims that there's a conflict of interest, or that a attorney is providing them with - ineffective assistance of counsel - That the attorney in question "must be removed." It non-debatable

SEN. WEINER, I have a few more items I like to add - but I will wait.

The items I have put forward will make the system more fair. Thank you for your time.

RESPECTFULLY
Cedric Johnson

I also would appreciate if you can encourage & insist that I be transferred to (A) NONDESIGNATED PROGRAM FACILITY!
