MAGAZINE:

I'm writing about a old article you had printed - Jan. 2008 (By Guy Lawson, pg. 34) about a Crip who supposedly operating as a Confidential Informant.

In that article I suppose to be "True," Nothing you had alleged in that article was true. Neither was your article impartial or objective.

Also, it's obvious you did not read the police reports, nor any of the Court records.

I've been knowingly [and] Intentionally dumped on San Quentin - Death Row based on all fake and perjured testimonies.

The reason it took me so long to write back to Contest that Base-and-Fraudulent Charges against me:

1) I had wanted some time to go by.

2) I've been under a sustain attack

by CCR Staff - one of the victims you had wrote and charged me with MURDERING - his relative (or) relatives (of. E. Hightower) wait here - this up to his neck in plots to MURDER ME. (over)

Officer has gradually taken "over one million
Dollars in Bribes" to MURDER ME to.

This place - San Quentin is the most Corrupt-
dirty place I've been in my life. (Tell FBI
agents - Tim Flaherty or Eusebio S. Benavidez
I said that).

I would like you to retract your charges
against me, and issue me a openly apology.
Thank you! Please print this entire atticle.

SINCERELY
