To: PRISON Law OFFICE
DIR. & STAFF ATTORNEYS

I'm writing to request
Y'all help in stopping CDEr Staff from con-
tinuously plotting [and] attempting to MURDER
ME.

Also, I am writing to request the follow-
ing addresses.

- 1) OFFICE of INTERNAL Affair
- 2) Ombuds
- 3) OFFICE of Inspector General
- 4) Department Review Board
- 5) State Personnel Board

The Plots to MURDER ME Varies (OVER)

~~From plots to MURDER ME while I'm in hand
Cuffs (officers providing weapons to inmates)
Collaborators-unlocking their cells to come out
while I'm on tier etc. in handcuffs),~~

~~Plots to MURDER ME by shootings,
Plots to MURDER ME in my cell (suffocation,
Hanging),~~

~~Plots to MURDER ME through FOOD TAMPER-
ING (with Medical IVNs, RNs etc Assistance
Toxins, Heart failure, Heart attack, Carcinomas).
Including the MARIN MEDICAL EXAMINER
Suppose to falsify Medical Reports.~~

Also, S.O staff and others has gradually
taken (supposedly) over one million dollars in
Bribes.

I have attempted to get intervention
and collective action on every level with
~~out~~ San Quentin without success.

What's been going on is a widespread
secret from East Block to Adjustment
Center etc.

Please y'all help would be deeply appreciated
RESPECTFULLY Cedric Johnson
