To:

Gov. Blower; U.S. Atty. Gen.; SEC OF CDCR BEAR
WARDEN DAVIS; INSP. Gen.; CDCR INTERNAL AFFAIRS
FBI Director;

I regret that I am writing
you about widespread and flagrant
Corruption / Criminal Activities going on
with CDCR Staff - but it's true.

There is plots (attempts) to MURDER ME
going on. The plots to MURDER ME have
varied, From plots to MURDER ME while
I've been in handcuffs (officers providing
weapons to inmates) Collaborating - Unlocking
inmates cells to come out and 'attack ME'
while I'm on the tier etc. in handcuffs.

Plots to MURDER ME by Shootings.

Plots to MURDER ME through Food Tamper-
ing (with CDCR Medical Staff knowledge and
assistance).

Plots to MURDER ME in my cells
(Hanging or Suffocation)

- (OVER) -

Also, the MARIN Co. Medical Examiner Suppose to falsify the Medical reports.

Then, you have one of the individual's (I've been falsely accused of MURDERING Gregory Hightower) relatives or relatives that work here at San Quentin (ofc. Hightower) who've been up to his neck with the plots to MURDER ME.

IN addition CDCR STAFF have gradually taken "one million Dollars" or "more" in bribes... (officers; A. Cario; C. Knoucke; T. Russell; P. Eriolo; J. Perez) is just a few of the main officers taking and handling the bribe money, and is using that money, to entice other CDCR STAFF, Planete and facilitate the plots to MURDER ME.

[It's a very large group of CDCR STAFF (with different positions and titles) that, involved with the plots to MURDER ME]

Also, CDCR STAFF have been using the Prison Union representatives in the plots (Including, using the 75% per cent of job positions) the prison union is allowed to control (Per Contract) in the furtherance of the plots and as a Criminal Enterprise (RICO ACT) Corrupting a very large group of NEW RECRUITS. (Con. pg. 2)

You also have individuals situated in mental health that started colluding, and attempting to provide cover for the plots to MURDER ME.

There's also blatant Bigotry and Racism involved - it's crosses racial lines to.

What's been going on is a wide open secret.

I have been attempting and continue to attempt to get intervention, investigations and collective action on every level within San Quentin.

Now, I come to you requesting your help, intervention, investigations, and collective action.

STRICTLY
Cedric Johnson
