Re: S075727 - People v. Cedric Jerome Johnson

To: Clerk of the
CA. Superior Ct.,

I would appreciate a copy
of my notice to appeal.

My positions are clear - A Crime was committed against me to put me on (B.B.) Death Row (multi-level of Complicity and knowingly and intentionally using all false and perjured evidence.) That what I had layed out on my notice of appeal (that was one of the reasons I requested to do my own appeals.)

The Crimes continues against me with the St. Public Defender's Office - that why those fetards and-fetards was appointed to attempt to white-wash-and-cover-up the Crimes - impossible.

Atty. Chabot, put in a boiler plate-fetarded appeal briefs.

That was another reason I asked to do my appeals to avoid Criminal and fetards life atty. Chabot.

With atty. Chabot - it's equivalent to having no real Attorney (Actual and structural denial) (OVER)
