

SAN QUENTIN ST. PRISON - 1912 -
SAN QUENTIN, CA. 94974

CC 2017/2018
2019/2020

TO: DONALD TRUMP
U.S. PRESIDENT;

I know, you are
a very busy man so I do hate to disturb you.
But, there is very outrageous and sadistic criminal
acts / corruption going on (e.g. very large group
of officers and staff is conspiring and attempting
to murder me (at San Quentin St. Prison and
on Death Row).)

The plots to murder me varies.

Because of your ultimate police powers,
I am coming to you for Federal Intervention
and asking you to direct the (FBI) to investi-
gate my charges:

1) CPCC officers, has gradually taken one
million dollar in bribes in the furtherance of the
conspiracy... The money is being used to plan,
and entice other staff to participate in the
conspiracy to murder me (murder for hire).

2) Conspiring to murder me by shootings.

3) Conspiring to murder me while I'm in hand-cuffs (officers providing weapons to inmates Collaborators (C.I.s)) unlocking their cells so they can come out while I'm on the tier etc. in handcuffs.

4) Conspiring to murder me through Food Tampering (with medical knowledge and assistance) LVNs, RNs etc. Toxins (Heart failure + Heart Attack).

5) Conspiring to murder me in my cell (Hanging, Suffocation)

Then you have one of the individual I've been knowingly (and) falsely accused of murdering (Gregory Hightower) relative (or) relatives: Wot's here, at San Quentin - one name is (alc. C. Hightower) who is up to his neck with the Conspiracy to murder me.

I have written to a number of oversight groups (i.e., Governor; CPCR Internal Affairs; WARDEN; omnibus; Inspector Gen.; sec. of CPCR; U.S. Atty Gen; FBI Director) AS of yet no concrete action. Oh! I also wrote your predecessor Obama.

Mr. President, you have STAFF who braggs about being Corrupt... They also say, (Can. 19.2,

The rule of law and the Constitution is nothing that they make up their own rule of law and Constitution.

As I move to close this letter I will ask again - Can you, please direct the FBI to look into my charges:

If no steps is taken to stop this "massive Murder Conspiracy" I will be murdered.

Mr. President, Thank you for your time and attention.

RESPECTFULLY
Cedric J. Johnson
