Dear Mr. Johnson:

Responding on behalf of Supervising Attorney, Michael Brennan, your letter requesting legal assistance has been received. Unfortunately, we are unable to provide you with the assistance you need. The Post-Conviction Justice Project only provides legal assistance to inmates incarcerated at F.C.I., Terminal Island and the California Institution for Women at Frontera. Limited resources prevent us from providing assistance to inmates at other institutions.

I am sorry we cannot help you and we don't know of any organization that can help you at this time.

Sincerely,

Valerie A. Adair  
Administrative Services Coordinator  
Post-Conviction Justice Project
