ATTENTION!

TO: ALL WHOM MIGHT BE CONCERNED
AND INTERESTED - YOU CAN MAKE A
DIFFERENCE:

DA FEELER OUT TO TEDDY (OR) FRANKLIN
ROOSEVELT GRANDSON.

I 1st seen him at a sweet Alice house in WATTS (About 1993). While I briefly spoke to (a) News Reporter - saying, it's about Self Determination and loving and protecting ourselves.

I then seen Mr. Roosevelt at another location (IN WATTS, at the late Bitty Jo house). Where Mr. Roosevelt told me, that if I ever need him - That he don't care where - Call him and he would be there. I need your help.

2) A FEELER OUT FOR A DUDE NAME
LORENZO CUNNINGHAM (WHO HAVE A
BROTHER NAME KEVIN CUNNINGHAM
BOTH FROM PONDONA)

I first meet Kevin in 1981 in
P20 Pables (A Youth Authority). Kevin
would tell me that his brother -
(Lorenzo) was SUPER SMART! (He was
Right).

I meet Lorenzo in late 1981 at
Y.T.S (Youth Training School). Lorenzo
would pick me to attend a "outside
oblation hearing" with him (I was
16 yrs old or so).

I was "shocked" how Lorenzo was
able to talk (to present his case, and
defend his position). I did not know
anybody could talk like Lorenzo.

As Lorenzo and myself were walking
back to our unit, I told Lorenzo that
I wanted to be just like him when
I grow-up.
(Con. pg. 2)

(205)

(Con. pg. 2)

It's fair to say, that the same way Lorenzo had "shocked me" is the same way, I "shocked the Courts" (As I represented myself).

As one Deputy stated to me, as we left the Courtroom, how did you learn to talk like that? I told the Deputy to go play.

The Deputy responded, I'm serious! You talk better than "most lawyers" who come into this Court, and, I see them all etc.

Another Deputy would state to me, as I got down from the witness stand, Today I'm glad that I am not a lawyer. . . You make them look like idiots. . . You make their whole education look bad.

Lorenzo, I can use your help.

3) A FEELER OUT TO A WHITE ASSOCIATE
(FR. GERMANVILLE WASHINGTON):

In the early 1970s in the LOS ANGELES COUNTY JAIL (where white prisoners ^{over})

is separated from the Mexicans and Blacks).

I came onto the Tier, light after you had, and one could hear prisoners saying - They were coming to get someone.

As the Cell I was assigned to, started to open, I could see (a) white dude standing in the middle of the floor with his eyes-wide-open.

I would ask him what was he doing in that Cell? He told me, that he had got caught with Marijuana. And, because he would not tell. The Deputy told him, that he was going to teach him a lesson.

So, I asked him what was he going to do? He said, he was going to fight for himself.

I told him, that I was going to fight with him.

He told me, that I didn't have to. I replied, I know I don't, but I am.

As the Cells started opening up I had told him to hit the wall with all backs to it. (CONIFG.3)

(305)

(Cont. pg. 3)

NOTHING HAPPENED.

me-and-The white dude were load
Dogs for the next 2-weeks or so.
I can use your help.

Also, in the early 1990s a Deputy
threw a young white dude in the
dayroom - which was half black,
and half Mexican (Attempting to
get the white dude murdered).

After a young black dude attempts,
and fails to get us to do the
Deputies dirty work... I had assured
the white dude that the blacks were
not going to do anything to him.

After about 8-hours you could hear
a Deputy keys sounding off (running
to the dayroom).

The Deputy called the white dude,
and told him that he could not be
in the dayroom with us. That he's
lucky he not dead!

The reason I could take a righteous
stand, is I believe in Malcolm X
and Marcus Garvey theories.

4) A FEELER OUT TO A LIL MOUSEY
FROM THE NELTERSON GARDEN (WALLS)

They were trying to fail load you with SHAMS, CHARGES. The deal they had on the table for you was 19 y/o. with 35% per Cent. When, you literally flacked me down to help you.

I can use you, help... I need you to advocate for me. Your help will be deeply appreciated.

Understand, we are dealing with, ingrained (Structural and Institutional) Corruption, Racism and Bigotry.

5) A FEELER OUT TO A SISTER (FROM
CHICAGO) WHO SAT ON MY 1ST SHAM,
CIRCUS AND KANGAROO TRIAL.

You had been so moved by that SHAM, CIRCUS AND KANGAROO TRIAL that, you went into (2) Yellow Page got the No^o to my in laws.

You would informed them to inform me, that I had saved myself by taking the witness stand. . (CON: pg. 4)

(405)

(CON. pg. 4)

If I had not taken the witness stand I would've been convicted for sure.

Also, that that (Bum) lawyer wasn't doing anything for me. That the only thing I need is a attorney and I would go home.

NOTE:

You had a Criminologist on my 1st. Stand Trial (Another - Joyce Gilchrist) whom the (Bum) lawyers absolutely refused to remove.

The (Chicago) juror said, that the Criminologist was telling the other jurors that she knew the law - to follow her to convict me/us.

But the (Chicago) juror said, she had informed the Criminologist that if she knew the law as good as she said she did - then she knows them boys had not witness them shootings. It impossible! It's No Doubt that they are lying.

I would decide to lack in Jury Tampering. (Because the Court should

(OVER)

not be operating with Secret Tuls any-
way).

So, I would inform another lawyer
that the (Chicago) Tulsor was in contact
with us... She had been calling every
other day or so. The (Chicago) Tulsor abruptly
stopped calling. (Nobody should've contact
you). It's No Doubt it was Character
Assassination, and Smoke and Mirrors!

To The (Chicago) Tulsor you are not
only helping me, you are helping
a whole lot of others to.

As far as that (Burn) Lawyer I would
refuse to go into another SHAM,
CIRCUS AND KANGAROO TRIAL with that
(Burn) Lawyer.

So, in the July room and in front
of 400 perspective Tuls, I attacked
that (Burn) Lawyer, slamming my fist
into the side of his head (knocking
him into the floor).

Once that (Burn) lawyer stood up, I
had a chance to place a solid kick
into his stomach, and I continue to
spit in his face. (CON pg. 5)

(5.5)

(Con. pg. 5)

I would shout out to the 400
perspective Jurors;

I do not want that
(Bum) That I am qualified to represent
myself. -- That they were doing a whole
lot of illegal stuff in that Court house!

The Judge would Bar (Banned) me
from the Courtroom. While letting
that (Bum) lawyer continue to pretend
that there was NO CONFLICT BETWEEN
US.

The Judge allowed that (Bum) Corrupt
lawyer to stay on my case, Pick a SHAM
Jury, take my case to a 2nd SHAM
CIRCUS-AND-KANGAROO TRIAL.

To Deliberately and maliciously Convict
me and dump me on San Quentin
(Death Row) ON ALL MANUFACTURED-FALSE-
AND-PERJURED EVIDENCE.

NOTE: The 400 perspective Jurors I had
attacked that (Bum) lawyer in front of,
was dispersed to other Courtrooms
for trials - There was a whole lot of not
guilty verdicts to.

Also, I repeat; my case is a prime
Example of Financial Fraud (OVER)

(MISAPPROPRIATION OF Tax Payers Funds
[EMPHASIS ADDED]).

6) A FEELER OUT To a DENISE BROWN
FROM NEW JERSEY - Singer BOBBY BROWN
SISTER:

I meet her in WATTS, I do trust
you are doing well.

I, close trusting that individuals
can help me get in touch with the
people I mentioned.

Also, I am asking for Financial
Assistance... Trusting, I can raise a
Half Million Dollars (\$500,000) to assist
me in My long legal Endeavors to
expose, ~~over~~ ~~come~~ ~~and~~ ~~over~~ haul in-
clained (Structural), Institutional, Systemic,
Mafiasance, Fraud, Corruption, Racism,
Bigotry, Travesty (and) Miscarriages of
Justice!

THANK YOU FOR YOUR TIME,
ATTENTION AND HELP;
LEDRIL JOHNSON
