

Mr. Cedric J. Johnson K-61104
San Quentin St. Prison

P.O. SAN QUENTIN, CA. 94974

cc 2019

It's not necessary for the U.S. CONGRESS to look at the Countries of Saudi Arabia, and TURKEY - where Jamal Khashoggi's (A WASHINGTON Post Columnist) was MURDERED/ASSASSINATED. - or even RUSSIA.

The U.S. only need to look in its own back yard. - To see similar type of crimes being perpetrated. (I.e.; Jail, Prisons, Streets)

I am on SAN QUENTIN Death Row where "I" am being targetted by SAN-QUENTIN STAFF to be MURDERED!

I have addressed numerous documents/complaints to oversight entities and to U.S. CONGRESS members to bring some attention to this massive conspiracy and get some collective action and measures put in place!

P.S.S.

Oh! let not forget that CONGRESS passed the "NOVISTKI ACT" against RUSSIA for the death of (NOVISTKI) A HUMAN RIGHTS LAWYER in PRISON!

RESPECTFULLY
Cedric J. Johnson
