To: RON BLOOMFIELD
SAN QUENTIN WARDEN(CA),

This is Cedric Johnson
(K-61104) writing you once again because
of the continuous threats, "Attempts against
MY LIFE BY (S.Q) STAFF"

Since, No ACTION have been taken to eradicate,
stop, or Pro-active steps taken too ensure
that the systemic Corruption I've been sub-
jected too, isn't repeated, I decided too go
ON(A) "HUNGER STRIKE"

NOTE:

On this date (3-17-21) a group of people
(in Civilian clothes) Walked by MY Cell...
Someone stated:

Nobody going to help you!

About 30-seconds later your Information
Officer (Saw Robinson) knock on MY window.

Asking NAB whats up?

Sam Robinson knows what up, because he been up to his neck in it. (As for the records; I put (Sam Robinson) name, in my 4th Com-plaint to the U.S. Department of Justice - in 2003)

(Again, I filed a CDC 602; I put 4 pages of Corrupt (S.O) STAFF NAMES in it - Sam Robinson name is off of them - in 2015)

Last, I also asked TEXT WARDEN RON DAVIS to ask (Sam Robinson) - because he know, because he been involved up to his neck in it. I maintain that position.

I also enclosing a Copy of my "HUNGER STRIKE" Petition (103) as I class.

SINCERELY
Cedric Johnson
