To: The Just; Humble;

This is Cedric Johnson I am
a 55 years old Black man. I am writing from
my deliberate & unlawful prosecution, conviction,
& dumped on Calif. San Quentin (S.Q.) death row.

I am writing seeking the help to overcome
this egregious, flagrant, malfeasance (official
perjury collection) with level of complicity.
Also, being targeted by (S.Q.) staff to be
undone (Systemic Collection).

I cannot express enough how much I need
some help with exposing & overcoming the
intentional crimes I am continuously being
subjected to.

[From the Compton Courtroom - To the prison
system - To the public defender's office - Back
to the Calif. Supreme Court.]

It's not necessary to repeat all my charges
here. I have tried to leave a extensive (over)

paper trail - Please see NY

I close trusting I got your attention; help.
Thank you for your time

RESPECTFULLY
