FR:

People v. Cedric Jerome Johnson - SO 75727

To: April Boelk  
Automatic Appeals unit Supervisor,

My documents back, that had been <sup>received</sup> ~~maintained~~ I addressed  
to the CA. Supreme Court Justice & Associate  
Justices. Because of the issue of the  
Proper Proof of Service. As soon as  
I get Copies of the Proper Proof of  
Service I'm sending my document  
back

The reason I am writing because  
I see where you sent copy of my  
document to the "office of the state  
Public defender." I under the impression  
that I do not have a Lawyer/Counselor (over)

If I do? Please provide me with  
their name? Because the lawyer who  
wrote that sham 'Garbage appeal  
brief' retired

Then the lawyer who represented/  
argued the appeal in front the the  
Calif<sup>supreme</sup> court also retired at the be-  
ginning of this year (2022). (She  
also did me a disservice (The Court fo.)

anyway, please forward their name to  
who  $\neq$  serve from the office of the  
state public defenders office. so I  
can serve them.

so, Thank you for your time.

Regards  
Cedric Johnson  
SO 75727

P.S. the lawyer who had contacted me - He  
stopped responding - when he seen that I was  
seriously trying to expose & overcome the crimes against me
