To: Gov. Gavin Newsom,

I trust my letter find  
you in good spirit & good health. As for myself,  
I'm in the struggles of my life. As I try too  
Expose & overcome my intentional, unlawful, Malici-  
ous, Sham Conviction.

I am writing to "put blank" ask you to  
release me from this travesty & miscarriage  
of Justice (sic). I'm INNOCENT!

My Case & Situation is nothing like that Gov.  
Mandela, & "hutton" situation.

You release me you will be celebrated by  
a untold number of people (because everyday  
& do is make of a blight on the U.S. Con-  
stitution.).

I am going to close writing, you look into my  
Case; Situation & do the right thing... - (over)

Release me.

this is my 3rd letter, 3rd address I have  
written you at.

thank you for your time & attention

SINCERELY
