

CALIFORNIA INNOCENCE PROJECT

CALIFORNIA WESTERN
SCHOOL OF LAW | San Diego

Thank you for contacting the California Innocence Project. In order for us to investigate your case further, we need you to provide additional documents. Please provide as many of the following documents as possible:

- Trial Documents
 - Probation Officer's Report
 - Abstract of Judgment

- Appellate Documents
 - Appellant's Opening Brief
 - Respondent's Brief
 - Appellant's Reply Brief
 - Court of Appeal Opinion

We need these documents to better understand your case and we cannot move forward with our review without them. If you do not have these documents, you may be able to request them from your Central File (C-File). If you cannot get these documents from your C-File, please contact your prior lawyers or anyone in your family who may have them and ask them to send copies to us. Finally, if that is not an option, send us your trial transcripts or, if you took a plea, the transcripts of your preliminary hearing or any other document which summarizes the facts in your case.

It is very important that you only send us copies of these documents and not the originals in case they get lost in the mail. Please understand that the California Innocence Project has not agreed to represent you at this time. Rather, we require more information in order to determine if there is anything we can do to help. If you have any pending deadlines you must pursue these on your own, do not wait to hear from us.

We will continue your investigation once we have received the requested paper work from you.

Best regards,

California Innocence Project
